Sir,

With reference to your letter No A5-c 1264/48-49 dated 25-4-48 on the above subject, I am directed to ~~state~~ state that it is not clear whether there are six Typists now borne on the sanctioned scale as stated in the first portion of the proposition statement under the "present scale" and whether this includes the key of the ~~Typist~~ ex the Kannada Shorthand reporter also. I am to enquire, in this connection, how are the six Typists ~~are~~ and whether proposed to be distributed ~~at~~ for here is absolute necessity for the Typist in the City Market office and

whether

~~is~~ there is correspondence enough to justify the ~~appointment~~ appointment of ~~not~~, it may be ascertained whether the Canvasser ~~can be not be~~ cannot be spared for work in the Health Office, or if it is absolutely necessary to observe economy in regard to the creation of new posts in the Municipality as the receiving office in this behalf is on the increase of late.

SIR,

Sub - Conversion of one of the clerk's posts on 40-2-50/E B 3-80 out of the existing strength to that of a typist

With reference to your letter No L 17194 dated 29-5-1948 on the above subject, I have the honour to state that there are no typists borne on the sanctioned scale and the entry in the first portion of the proposition statement that there are six typists is incorrect The same should be clerks instead of typists

2 There is only one sanctioned post of a Stenographer on Rs 40-2-50 at present and the same is proposed to be revised to Rs 75-5-150 E B 10-200 The other 6 places are those of clerks out of the sanctioned strength and they have to be converted into those of Typists

3 Re the post of Kannada Stenographer a separate reference has been made to Government in this office letter No A5 C 1008/46 dated 17-5-1948 and sanction therefor solicited and this does not come under the present proposal

4 The six typists now proposed will be distributed as noted in the margin and this includes the typist-clerk in the Market Office

Subject Restoration of the post of Typist in the Market Superintendent's office in Sri Krishnarajendra Market, Bangalore

---

With reference to your letter No A5 C 404/47 dated the 11th March 1949 stating that the Market Superintendent has set up an independent office of four clerks and an Examiner and that it is necessary that a typist clerk should be appointed etc , and enclosing a copy of the resolution of the Municipal Council dated the 28th February 1949 in this behalf, I am directed to observe that since it is stated that there are four clerks in the Market Superintendent's office, one of them may look after the typing work and that he may be paid some allowance for it

2 I am to add that no additional appointment of a typist is financially acceptable nor is there sufficient work for a full time typist in this office Even if there is such ~~a~~ work, it can be attended to in the ~~matter~~ manner referred to above.

Yours faithfully,

CEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

R e a d :-

Correspondence ending with letter No A5-C-287/46-47 dated 5th March 1947 from the Municipal Commissioner, Bangalore City, stating that the work in the Sri Krishnarajendra Market in Bangalore City has become very unwieldy and that the sanitation of the market has been found to be far from satisfactory, due to over-crowding in the market and inadequate staff and requesting sanction to the resolution passed by the City Municipal Council at its meeting held on 6th July 1946 to employ certain additional establishment, at an extra cost of Rs.7626/- per annum, in the interest of the sanitation and efficient supervision of the City New Market.

Order No. L 14498 G M L- IC 46 133

Bangalore, Dated, 21st April 1947

Government agree with the opinion of the Bangalore City Municipal Council that the present staff is quite inadequate to keep the City Market tidy and in order and are accordingly pleased to sanction the proposals of the Municipal Council regarding additional establishment for the above market, at an extra cost of Rs.7626/- per annum, as noted in the accompanying statement. The expenditure on this account will be met out of the closing balance in the current year's budget of the Bangalore City Municipality, provision therefor being made in the future budgets of the Municipality.
